

EVALUATION OF SCHOOL DISTRICT STAFF

All full-time professional and support staff shall be evaluated annually. The purpose of staff evaluation is to facilitate professional growth and assure accountability.

Formal evaluation procedures shall be agreed upon with respective employee bargaining units. In the absence of a contractual process, the superintendent is responsible for developing an evaluation procedure in consultation with the affected staff and implementing it in accordance with the Commissioner's Regulations.

Prior Policy "Evaluation of Niskayuna School District Staff" adopted Feb. 26, 1996; title changed to "Evaluation of School District Staff" and amended Nov. 15, 2004.
