Dear Iroquois Middle School Parents,

Each year at this time the school counselors and the administrative staff begin the process of placing students for next year. We discuss student strengths, weaknesses and special needs so as to provide each student with the optimum learning situation.

Given the complexities of a middle school, we cannot honor specific requests by parents for a particular team placement. We realize though, that parents may have information about their child that could help us in our decision. If you would like to provide information to Mr. McAllister or Mrs. Carroll please do so in writing by June 6, 2016. You may drop it off at school or mail it to either counselor at:

Iroquois Middle School
2495 Rosendale Road
Niskayuna, NY 12309

This information will be confidential and will only be used to help us in our planning. Please remember that the intent of this information is to guide us and we cannot promise any specific placement.

Sincerely,

Vicki Wyld
Principal
